

FRIDAY, JULY 18, 1884.

Minister Kapena read first time a bill to fix the compensation of pilots. Read a second time by its title and referred to Committee on Commerce.

A communication was here read from His Majesty, which will be found in another column.

Mr. Dole moved a Select Committee be appointed to reply to His Majesty.

Mr. W. O. Smith said this action of His Majesty in beginning at his own salary was the grandest thing he ever knew. It was a kingly act, and one that this House and the whole country will approve of.

Mr. Nawahi said this is a hopeful sign. It shows the efforts made by the independent party of this House are approved of by His Majesty.

The President appointed the following Committee to wait upon His Majesty: Messrs. Dole, Dominis, W. O. Smith, Pilipo and Kaulukou. At 12 o'clock the House adjourned until 10 o'clock Saturday morning.

There isn't a member in the House that has the patience to listen to Keau, the poi man, when he gets up to speak.

The item of \$3000 asked for by Mr. Rowell, was for Court House at Waimea on Hawaii not on Kauai as stated in our report.

Our morning contemporary wants the papers to stop talking about each other and discuss public measures. If the organ follows its own advice it will forthwith be in a condition of mental bankruptcy.

The City of Paris left at 2 o'clock.

Our report of the farewell entertainment on board the S. S. City of Paris this noon is unavoidably held over until to-morrow.

Exceptions have been taken to the verdict in the case of Kenuu for murder. These are set down for hearing on Wednesday.

Mr. Louis Sperry a late employe of Wm. Wenner, has opened an establishment of his own at 88 King street, and is prepared to do engraving of every description. He makes monograms a specialty.

The Chamber of Commerce held a meeting at one o'clock and accepted the new bank Bill as drawn out by the following Committee: Messrs. Davies, Spreckels, Bishop and Isenberg. It says no paper money and no depositing of public moneys.

Russell Germain and Wm. Moore, two prisoners who have given considerable trouble, were brought up at the Police Court yesterday charged with absconding from the prison, and sentenced to three additional months imprisonment at hard labor.

The fat boy was ejected from the Tiser office the other night. He took in some rubbish which he called copy, and insisted on its being published. As he came rolling out on the street, some by-standers mistook him for Barnum's white elephant.

The *Pae Aina* of the 15th contains the following item of news. "Before J. Wahineau left town for South Kona to-day, he received in payment for his exertions in obtaining signatures to the petition to retain the Ministry, the sum of \$27 and two bottles of gin."

The Boston *Globe* tells the truth when it remarks, "When a man declares that he don't care what the Newspapers say about him, he is generally lying." It is worthy of remark that Minister Gibson has declared his indifference and disregard of what the press said concerning himself.

"IT WAS THE CAT."

The other night, a family residing out on the plains, were rendered very nervous by strange sounds about their premises. These were continued so long, and were so peculiar, that the theory of burglars seemed hardly tenable. By-and-by a search was made almost all over the house, without solving the mystery. In the morning, the cause of the disturbance was discovered in the backyard, constituting a comical sight. A cat had found an opened can of some acceptable viand in a barrel, had thrust her head into the aperture, and had been unable to free herself. When set at liberty, poor pussy didn't stop to thank them.

BASE BALL.

About \$130 is still due on the pavilion at the Makiki Reserve. In order to raise the necessary funds for paying off this debt, and making necessary repairs to the grounds, 25 cents admission to the pavilion will hereafter be charged.

Season tickets, free of charge, will be issued to those who have subscribed to the pavilion fund, and may be had on application to Mr. Hewitt, at J. M. Oat's stationery store. An appropriation of a few hundred dollars will be asked for, from the Legislature, for the purpose of laying water on to the ground to keep the turf in order.

Jack, for drunkenness, was remanded until the 16th inst.

Ah Sing, charge, attempt at arson at the residence of E. R. Hendry, on the 13th inst., was remanded until moved by the prosecution.

Ah Kam, for importing opium into the Hawaiian Kingdom this morning, to wit one tin, was fined \$100, and sentenced to imprisonment at hard labor for three months.

Chung Ah Leong and Ah See, on remand, were again remanded until the 18th inst.

A. Taustine and Ricarda Jesus, charge, of adultery within the last

month, were remanded until the 18th inst.

Jas. Connolly, remanded from the 12th inst., was found guilty of larceny in the 3rd degree, fined \$10, and sentenced to 3 months imprisonment at hard labor.

"Poor sweeper, Sia!"—Benevolent Stroller feeling in his pocket—"I'm afraid I haven't a penny!"—"Reduced party (wistfully)"—"I did not specify the coin, sar." It came to sixpence.—*Punch.*
